Rescue the Rabbit! Tournament Rules

Our Rescue Rabbit Plush has been captured, save it until the end of the day!

How to play:

Our Rescue Rabbit Plush has been captured by 3 of our Special Duelists. You must defeat all 3 Duelists to get a chance to save the Plush and take it back home with you.

- 1. Register by purchasing 3 Booster Packs and grab your Stamp Card at the Tournament Registration Booth to start playing**
- 2. Challenge one of the available Special Duelists to a Duel – if you win, you receive a stamp**
- 3. Once you've won against all 3 Special Duelists and received 3 stamps, bring your Stamp Card to the Tournament Registration Booth to join the Rescue Rabbit Plush raffle. At the end of the tournament, the raffle will determine the winner of the Plush**

Bonus!

If you win on your first try against all Special Duelists, you automatically double your chances in the raffle.

Rules:

- There's no Duel limit – challenge the Special Duelists as often as you want! If the Special Duelists aren't available, you will be added to the waitlist**
- You must win once against each of the Special Duelists to fill out your Stamp Card**
- You may fill out as many Stamp Cards as you want, but must register again with each new Stamp Card you obtain**

Good luck!
